

The University of Hawai'i Cancer Center presents the 8th Annual

QUEST FOR A CURE:

Progress in Cancer Research

"Emerging Research on Bacteria in Humans (Microbiome) and Cancer"

Saturday, November 17, 2018

9:00 a.m. – 12:30 p.m.

University of Hawai'i Cancer Center

Sullivan Conference Center

701 Ilalo Street, Honolulu, HI 96813

A FREE PUBLIC EDUCATION EVENT

We invite you to arrive early and visit our exhibit and resource tables starting at 8:00 a.m.

The Quest is **an event for anyone whose life has been touched by and wants to learn more about cancer**. Come and listen to some of our leading UH Cancer Center and community scientists who will address:

- *Role of microbes in the health of humans and other animals* – Margaret McFall-Ngai, PhD
- *Clinical perspective of the human microbiome in health and illness* – Scott Kuwada, MD
- *Role of the oral microbiome in health and disease* – Brenda Hernandez, PhD, MPH
- *Impact of diet on the gut microbiome in health and disease* – Carol Boushey, PhD
- *Relationship between the gut microbiome and obesity* – Loic Le Marchand, MD, PhD
- *Alterations to the human microbiome that lead to liver and bile duct cancer* – Wei Jia, PhD

Space is limited so please RSVP by
Friday, November 9, 2018

To RSVP please email QUEST@cc.hawaii.edu or
call (808) 356-5770

The Quest is generously supported by the Friends of the University of Hawai'i Cancer Center.

Instructions:

Parking on campus in Lots A and B is free and available on a first-come-first-served basis.

Overflow parking is available in Lot C located on the ewa side of our Kaka'ako campus. Parking in Lot C requires a pre-paid parking pass that will be provided free of charge to Quest attendees. You must park in an unnumbered stall and display the parking pass on your dashboard.
